## OUR CERTIFICATES

We would like to give you an overview of the key certificates and approvals we have received from recognised classification societies. They are proof that we take the quality of our work seriously and provide vessels which are compliant with local and global regulations. Of course, this is just an excerpt of the various certificates – if you have questions about or need specific documents, please don't hesitate to contact us at [info@blohmvooss.com](mailto:info@blohmvooss.com).
